Attention: Mr. [REDACTED]

Gentlemen:

25X1A

25X1A

Confirming telecon of 17 January 1958 between Mr. [REDACTED] and the undersigned, it is requested that you proceed with the production of the remaining forty (40) sextants required under Item No. 1 of Contract No. NY-B-5111C to the extent of incurring obligations and expenditures in performance of the work not exceeding a total of \$50,000 for said forty (40) sextants through 17 February 1958. This sum is already included in the contract price of Item No. 1

You are also authorized to proceed with the modification of the Canopy and Sextant Viewer to qualify said items, including Sextant, for carrier operational suitability, to the extent of incurring obligations and expenditures not exceeding a total of \$8,000. A report of the suitability tests shall be made available to the customer on 17 February 1958. This additional work will be included in Contract No. NY-B-5111C as Item No. 8.

Very truly yours,

25X1A
